Queensland in 2012!

The Rover Owners' Association of Queensland invites you to join us over Easter in 2012 to indulge your taste buds sampling the fine wines and gourmet foods of Queensland's famous "Granite Belt " area and catch up with your Rover friends.

For 2012 we thought we would get you away from the 'Big City Experience' and try something different.

The Rove will be based in Stanthorpe, the heart of Queensland's vibrant wine and food area - less traffic and less time spent driving between events. It is approximately 2½ hours drive south west from Brisbane on the New England Highway. There are many attractions and a wide range of accommodation.

You don't have to commit to attend at this early stage and as yet we don't have a lot of detail. If you would like to indicate your interest in attending we will put you on our mailing list and send you more information on accommodation, venues and the programme as our arrangements are firmed up.

Just write your contact details below, tear off and send the details at your leisure to:
