- \*9. **Rover P5 90, 1958/59**, manual with overdrive, reconditioned engine, recovered seats, good tyres, original tool kit, bodywork in good condition. Offers to Bill Meadowcroft on 0438 359 658. (d)
- \*10. Hi. I am a **1973 Rover P6B Series 2** Almond in colour; I am looking for a good home that will look after me and make me into the driving machine I once was. My drivers' wife and daughter don't want me condemned to the crusher. I am not the best example (my paint is far from the best, the typical Queensland interior and there is rust in the usual spots for my breed, and some minor parts are missing). But I had my gearbox rebuilt several years ago and I do have the aftermarket air conditioning. With some tender care I can again be the once proud car I was. Please if you see fit give my drivers' family whatever you consider to be fair for me. Please contact my family on 07 3279 1560 and if they aren't home just leave a message. (a)

**SYNOPSIS OF MINUTES** of the July General Meeting.

*[This is not the official minutes. Its purpose is only to give members not present an idea of what happened at the meeting.]*

Meeting opened at 8:10 pm Wednesday 14 July at The Grange Progress Hall. 16 were present and 2 apologies were tendered.

Minutes of the May meeting were read and passed. It was noted that there was no official meeting in June due to lack of a quorum.

The treasurer's report was read and accepted. Accounts totalling \$219.60 were passed for payment.

2 new memberships were approved.

Ross enthused at the success of 2 recent club events – Breakfast on the Mountain and a farewell to Peter and Mary Fama at Mt Cootha café.

Ross gave some details of the Rove to Stanthorpe to investigate events for the National Rove in 2012.

Neale brought along some Rover parts – mostly SD1 – for sale.

Ross told of his adventure with the front suspension in his 75 and showed a collapsed “rubber” front suspension bush. He also showed the replacement one which was much meatier.

Chris Stephens told of selling his P4 at the RACQ day. He is now looking for a P5B or a P6B.

Max Thorne mentioned that a local firm is importing half cuts of Rover 75s.

Ross noted the passing of long-time club member Eddie Dickson.

Meeting closed at 8:50 pm and was followed by a cuppa and chat.

***NEXT COMMITTEE MEETING: -***

will be held at the home of Craig & Jenny Barraud on **Sunday** 29 August.
