From our President:

I want to encourage all our members to try and be at this auspicious event. It is a nostalgic venue. I think that we owe it to the legacy of Rover and to members who own these models in particular.

It's an all-Rovers special event! It's a great way to catch up with fellow Rover enthusiasts.

Don't forget, if your vehicle is unavailable, you are still welcome to attend as we want you there. Because an early booking is essential for this venue please get your application in as soon as possible Email to Damien at [tips.and.roves@gmail.com](mailto:tips.and.roves@gmail.com)

Special Note: we are hoping that early Land Rovers will be there on display, so if you have one and would be able to assist please let me know. Be early (10.30) to get a spot in the car park !
