Carindale. Qld. 4152

## **Maclean's Bridge Sports and Classic Car Festival 2021** **Sunday 23<sup>rd</sup> May – Belmont Range**

### **COVID – 19 Update**

The year's event is once again being staged at the popular venue of Belmont Range, 1485 Old Cleveland Road. TSOAQ is required to collect contact details to conform with Queensland's COVID regulations, therefore there will be a separate COVID check point close to the complex entrance on Cleveland Rd. There will be clearly designated lanes for vehicles that we ask owners follow so minimizing delays in getting cars on site. They will be for pre-registered and non-pre-registered vehicles

1. **Those who have completed pre-registration** and are displaying an entry ticket in clear view on their dashboard may proceed in a lane that bypasses COVID checks and to the pay booth area where they can follow or be directed into the pre-registration lane that bypasses the pay booths. Pre-Registration form attached or can be downloaded from TSOAQ website.
2. **Non-pre-registered cars that have the Queensland Government Tracing App loaded on their phones** can click on the QR code displayed in the area and after confirming their registration with a marshal they may proceed to pay booths. We urge attendees to download the app from <https://www.covid19.qld.gov.au/check-in-qld> and complete their details prior to arrival.
3. **Non-pre-registered cars with completed COVID questionnaire**, copy attached or can be downloaded from TSOAQ website, once the completed form is handed to a marshal, they can proceed to pay booths.
4. **Cars with no paperwork or app** will be handed a paper COVID questionnaire, once completed the form may be handed to a marshal allowing them to proceed to pay booths.

Cash or eftpos facilities will exist at pay booths, but we urge attendees to complete pre-registration and display a ticket on the dash so they are able to bypass both COVID check in and pay booths.
