

INFORMATION SHEET: FOR VEHICLE EXHIBITORS and/or STALL AND CONCESSION HOLDERS

General Information

We look forward to seeing you on Sunday 20th June. It is going to be a great day for families and car enthusiasts. This is the second year that we have staged the Car Show and Family Fun Day and we very much appreciate your support this time especially as we were forced to cancel the 2020 event due to covid-19. Our Rotary Club facilitates and organises the venue with the support of the Mt Gravatt Showgrounds Trust, the Bendigo Bank and the Brisbane City Council and it's now our major fundraiser for charity. This year we are targeting Youth Programs teaching life skills. One of these is the Windeward Bound where we hope to sponsor a number of local youth. Please follow this link to our [Windeward Bound flyer](#). We will also support other worthy causes in the local area.

Our club members and our volunteer helpers donate their time and effort towards this event. Organising starts some 6 months prior.

Exhibitors from a variety of sources are invited to attend the day. The mix of all types of vehicles we hope will make for a special atmosphere. Enthusiasts come from many car clubs and it is our intention that vehicle owners will make this one of their annual events to attend and take the opportunity to catch up with old friends and look at many of the other classics. Many private owners with their restored pride and joy come and use the day to show off their vehicles. Our aim, this year, is to get 200+ vehicles on the day with a large variety of Makes and Models.

You are encouraged to stay for the whole day which is expected to wind up around 3:00pm.

Arrival time: Arriving between 6:00am and 8:30am on the Sunday. Please contact us if you have some special need or wish to park as a group.

Group bookings: Make it a social event, exhibitors, car clubs. You can make group bookings on our site <https://www.trybooking.com/BPGVC> or alternatively by contacting me by email or phone. Please let us know in advance and it will allow us to make room. Arriving in convoy is preferred and makes for easier parking.

Entry Fee is \$10 per car; \$50 per Stall and/or Concession Holder (unless otherwise advised)

Usually, a vehicle will have a driver and possibly a passenger. If you have more than two on board, we'd appreciate you to make a voluntary donation for the extra passengers.

Please remember, this is a charity fundraiser, and all profits go to charities. We also need to cover the costs incurred hiring equipment. The public pays an entry fee of \$5 per adult, Children 12 and under are free.

Entry Form: as you arrive please display your Ticket. An exhibitor's prize, "People's Choice Award", will be drawn on the day.

Closing Time is 3:00pm for the benefit of the event and public we would like exhibitors to stay until then if at all possible. All vehicles need to be clear of the grounds by 5:30pm on the day. We need clean up and demobilise to return the event area back to the condition in which we found it by 6:00pm on the Sunday. This is a condition of use of the Showgrounds.

Location 1644 Logan Road, Mount Gravatt, Brisbane, Queensland

Entry can be made via Logan Road or via Broadwater Road. Please follow the directions of our volunteers.

Exit: Exhibitors will be exiting the same way they have arrived.

Exhibit Vehicles: will be displayed on the Main Showgrounds Arena. This area is used for many other activities during the week on a regular basis, so we ask that extreme care is taken when driving on and off the Arena. There are heavy penalties levied on us for any negligent damage so we would ask that all due care be taken by exhibitors to avoid costs being passed on.

All other vehicles are parked on the grassed surface around the ring road.

Weather - We can organise a lot of things, but unfortunately the weather is not one. If there is rain on the day or there has been heavy rain leading up to the event, the Showgrounds Trust may at their discretion, cancel the event. If the event is cancelled, all money received will be returned to exhibitors.

In the advent of very bad weather the event may be postponed or cancelled. We will notify using all means available to us being radio stations, Facebook, our website and emails.

Cash or Card? There will be portable EFTPOS machines at the public entrance to pay for the entry only (no cash out). There will not be any ATM on site during the event.

Announcements on the day: listen to the broadcast which lets you know of any event about to happen.
