

PROGRAMME OF EVENTS & ACCOMMODATION GUIDE

30 SEPTEMBER - 3 OCTOBER 2022

Hi All, greetings from QLD.

The committee is working hard to organise activities for next year and the proposed programme is looking good. That is if the "Lord be willing, and the creeks don't rise, and the Covid stays away" we will see you all next year.

We are sure you will enjoy what we have planned for you but during a recent visit to Toowoomba we discovered that there will be at least one other car club planning to hold an event in the area over the same period.

We thought it might be timely to give you advanced notice so that you can secure your accommodation. Toowoomba is a big place with lots of accommodation options. But we are suggesting the places listed below as they are all located in Margaret Street in the same general area and will be easier for the bus to pick us up and take us to the evening functions. Please feel free to stay elsewhere but it may be more difficult to arrange for the bus to collect you in a timely manner on the Sat and Sun evenings.

Our costings and detailed plans are still to be finalised and we hope to be able to advise you before the end of the year. See next page for our proposed programme
