The 50th Anniversary Presentation

N. Webb presented a fantastic slide show of photos from the past 50 years of the Rover Car Club Queensland Inc. (formally the Rover Owners' Association of Queensland Inc.). From the inception of the club captured in a small newspaper article, and followed many of the major events over the years to the present day.

A feature of past events was the 'SOE' Standard of Excellence. Owners would score points on originality and cleanliness, and compete 'with themselves' each year to gain points. One wide photo from a National Rove showed many Rover P4's.

Stories were shared and discussions followed about the people in the photograph and the cars.

Many thanks to N. Webb for putting this together and I. Blackwood for assisting with the computers.

Presentation End 7:38 PM
